# Used Pool Tables

We take trade-ins and buy used pool tables. They never include a warranty, may require new cloth or cushions, and of course are sold "as is". Keep checking to see what we may have, or leave your contact information to be put on a waiting list. You probably won't see a $1400 table for $700 (cloth and transportation cost $400 to $700 or more), but you might snake a $3500 table for $2000!

# Tournament Quality Game Tables

**Ping Pong, Air Hockey®, Foosball, Shuffleboard, Bumper Pool, Poker/Dining/Bumper Pool.**

**All at serious savings.**
