Sometimes the corner of a room is the best place to have a home bar. This unique corner bar design allows optimum use of space, a ton of features and a classic style for your home. The front bar is accented with trimmed front panels, storage compartments and dry sink. The back bar features a mirrored back, open cabinets with glass shelves, recessed lights, storage cabinets with drawers and doors, a refrigerator opening and built-in wine rack. We show our set in a Traditional Cherry finish on maple wood with a wooden footrail.

Originally \$12,999 ~ You Save \$5,000
