

Seasonal Specialty Stores® Pool and Package Price List Winter 2017

Purchasing an above ground pool can be very simple, or very complicated. If you have 30 to 60 minutes to spare, we'd be happy to help describe every facet of our pools and packages. You can reinforce that with another 30 to 60 minutes examining the literature in our folder, and the prices on the next few pages.

If you're in a hurry, or don't wish to be bothered with the details, we'd try to give you a suggested pool and a quick summary here. This is not our cheapest pool, or our most expensive. It is simply our most popular pool, with the particular combination of accessories that most people choose to purchase.

The Pool

THE OCEANIC STR54 by Sharkline Premium™. Our best-selling pool features a larger, stronger frame and better engineering than most pools on the market. Aluminum, resin, stainless steel and Kristal Kote steel alloy are the primary materials, and Sharkline (family owned and operated since 1961) stands behind it with an 10 year full warranty followed by a **lifetime** of parts at a 50% discount. The entire bottom of the pool has a full lifetime warranty, and there is a Wallsaver Panel Section that also has a full lifetime warranty.* Stocked in a Damask taupe frame with a Bloom wall. **Made in USA.**

The Package

Our Premium Accessory Packages (see page 6 of this price list) include everything you need to maintain your pool and only the highest quality equipment and chemicals. We also have Deluxe Accessory Packages (see page 7) that can save you \$500 to \$950, and are still better packages than those of most of our competitors.

The Store

We maintain the best-trained, most professional (and probably oldest) staff in New England: two of us started working here in 1981! We feature genuine American major-brand names, we guarantee your satisfaction and the lowest prices or your money back (please see our store signs for details). If you ever have a problem, our owner is here in the store to help you. Ask your friends that have pools. They will tell you we are by far the best, most professional store around.

The Prices

If you shop around, and compare equivalent quality, you'd find that you truly get what you pay for. We have pools and packages for at least a thousand dollars below the prices shown here. We have pools for several thousand more - as do our competitors. Shown below are the sizes and models that most of our customers eventually select after shopping around. These prices include our best Premium filtration, maintenance and safety equipment, our Buyer Protection Plan, Extended Service Plan, the easiest-to-use, once-a-month chemical system, and our Take It Easy Clear Water Guarantee. For more details and prices with our lower-priced package, please see page 4.

USA**

For a strong product and a strong country.

The Bottom Line

Make it easy on yourself. Map out a few pool sizes in your back yard, and see what's most comfortable for you. Shop around, and see what store is most likely to tell you the truth now, and stand behind their products later. Then, come back to us. We'd answer your questions; we'd tell you as much (or as little) as you want to know.

2017 Deck/Fence Options Prices subject to change. Only When Sold With a New Pool

Important Note: Most decks and fences are custom-made for particular sized and shaped pools. Even then, some may require modifying to fit your particular pool. We want to know the exact model name of your pool in order to get the correct item made for you. For instance, an 18ø deck will not fit a 24ø pool. A two-section deck made for an 18-section 24ø pool will probably fit a 16-section 24ø pool, but it won't fit the sections exactly. At a minimum, we need pool size, shape, number of round-side uprights, and number of oval-side uprights.

Sharkline Custom Aluminum Free Standing Decks -- Lifetime (10 year 100%, lifetime 50%) warranty. *Taupe extruded aluminum with gray indoor/outdoor carpeting, 36ø fence, stainless hardware and safety stairway. Deck-to-pool ladder not included.. All decks are made for 54ø pools. Cut the legs or sink them into the ground for shorter pools. **Made in USA.**

Sharkline Aluminum Free Standing Decks	Pool Size	Net Price	Original (Rush) Price
6 x 9; 2 Section Radius Edge Deck*	12ø or larger, curved	\$2,599	\$3,599
4 x 9; 4 Foot Stack Add-on Section*	Fits 2 Section Radius Deck	\$949	\$1,399
6 x 13; 3 Section Radius Edge Deck*	15ø or larger, curved	\$3,599	\$4,799
4 x 13; 4 Foot Stack Add-on Section*	Fits 3 Section Deck	\$1,399	\$1,899
6 x 10½ deck (for straight sides)	All Oval	\$2,799	\$3,699
6 x 14 Deck (for straight sides)	30' and longer oval	\$4,099	\$5,349

*Radius Edge Decks actually vary in size on each pool. Please see the ten-page deck sizing book for actual sizes.

Sharkline Aluminum Full Fencing - Lifetime (10 year 100%, lifetime 50%) warranty.* 36ø taupe or gray extruded aluminum. Fence almost completes pool, leaving one section open for your deck or ladder. Individual sections are only available through Sharkline's parts department at MUCH higher prices. Fences are also custom-made for each model deck or pool. We might be able to get fences made to fit other Wilbar brands. Please give us time to research sources. **Made in USA.**

Deduct \$100 for a completion fence, when combining a fence and a deck.

Sharkline Full Aluminum Fence			Vision Deck/ Fence/Walk Only adds to the pools listed, but must be ordered with the pool.

Sharkline Premium Warranties

The warranties on Sharkline Premium pools shown here are factory warranties, but they are only available if the pool is purchased from a Premium Elite Warranty Center (look for the certificate), and if the warranty replacement is processed through a Premium Elite Warranty Center, like us. Otherwise, the warranty is for about a third of the time at 100%, and parts are prorated for much lower discounts than what we offer.
