

Pool Park 2016

Please feel free to view the pool park from outside the chain link fence at anytime. You can walk all around the pool park, within 3 feet of every pool, without having to actually enter the pool area. Due to safety concerns, admission into the pool park is by appointment only, when accompanied by a store employee, and only when the store is not busy. Please contact a manager to make an appointment.

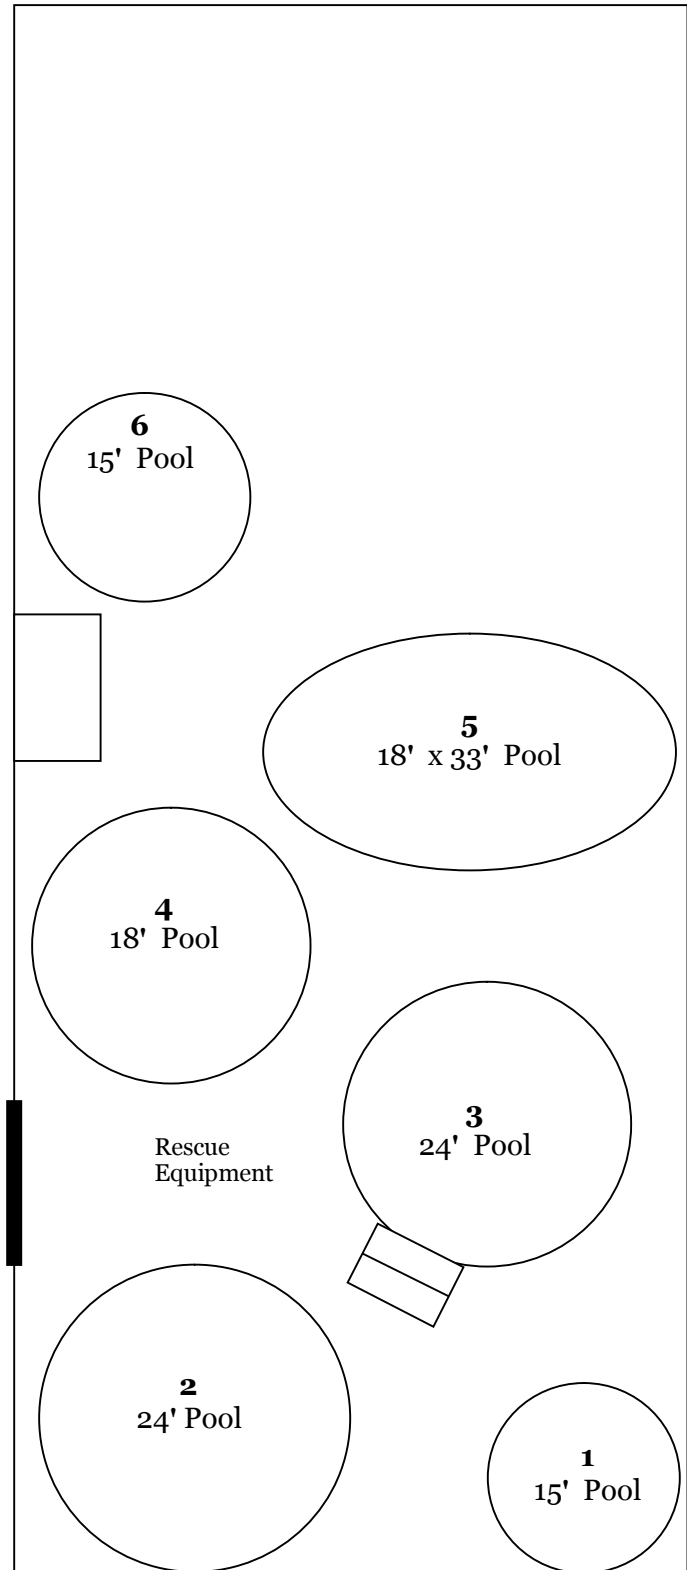

Pool Descriptions

- 1.) **15' Reprieve 48** pool, Impressions wall, Deluxe 2000 blue liner, installed by RuCAR; with Reliant Sand Filter system, RL30402729TL; 100 lbs., 1hp; and Target Jumbo Tabs.
- 2.) **24' Escalade 52** pool, Windrift wall, Watercolor liner, installed by RuCAR, with DE 50 DE filter, Baquacil CDX chemicals.
- 3.) **24' Oceanic STR 54** pool, Bloom wallsaver wall, Sunlight liner, installed by Pools by Us Plus, with Pentair ECDE90 DE filter and Relax™ weekly pool care in a box. Three-section Radius deck with Stack Add-on installed by Pools by Us Plus.
- 4.) **18' Cayman STR52** pool, 2000 blue overlap liner, installed by Pools by Us Plus; with Pentair EC60 DE filter and Pentair IC20 Salt-to-chlorine generator.
- 5.) **18'x33' Oceanic 54 Yardmore** pool, Bloom wallsaver wall, Outlook unibead liner, installed by Pools by Us Plus; with Pentair ECDE90DE filter and Target chlorine
- 6.) **15' San Carlos 48 1989** pool, Driftwood wall, 2000 Blue liner, with SF 35 sand filter, Baquacil chemicals. This is a 48" version of the pool that eventually became the **Escalade**; except that it only had a ten-year warranty back then. Original installation (in Merrimack) by REB, 1990. Moved and reinstalled by RuCAR, 2000. We let the skimmer leak from about 1994 to 1999. **Doesn't this pool look great for its age?**
